Producer

Kratki.pl Marek Bal ul. W. Gombrowicza 4, Wsola 26-660 Jedlińsk, Polska

declares that the above-mentioned local space heater designed for burning hardwood and used for heating rooms by radiation and convection complies with the provisions of the following standard

PN-EN13240:2008 Solid fuel space heaters - Requirements and tests.

and with the following European directives

Commission Delegated Regulation (EU) 2015/1186 of 24 April 2015 supplementing Directive 2010/30/EU of the European Parliament and of the Council with regard to energy efficiency labeling for local space heaters

Commission Regulation (EU) 2015/1185 of 24 April 2015 implementing Directive 2009/125/EC of the European Parliament and of the Council as regards ecodesign requirements for solid fuel local space heaters

Testing of the fireplace insert in accordance with the requirements of the standard carried out by a notified body:

NB 1452, INSTYTUT ENERGETYKI ul. Mory 8 01-330 Warszawa

Which prepared the research report number:

CUE.4032.072.1.2022.2023.LG023

This is confirmed by the CE mark placed on the device. The manufacturer is solely responsible for the declaration of conformity.
