|----------------------------|---------------------------|
| DECLARATION OF PERFORMANCE | |
| NR: K10 | |
| ISSUE: 1/2013 | DATE OF ISSUE: 01.07.2013 |

1. Unique identification code of the product-type: **KOZA/K10**
2. Type, batch or serial number or any other element allowing identification of the construction product required under Article 11 (4): **KOZA/K10** constant production, serial number on the product
3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:
Central heating by radiation and convection.
4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant Article 11(5): **Kratki.pl Marek Bal**
Wsola ul. Gombrowicza 4, 26-660 Jedlińsk, Poland
5. Where applicable, name and contact address of the authorised representative whose mandate covers the tasks specified in Article 12(2): **N/A**
6. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V: **SYSTEM 3**
7. As regards the declaration of performance for a constructional product covered by a harmonised standard: **INSTYTUT ENERGETYKI (NB 1452), 01-330 WARSZAWA, ul. Mory 8, Poland**, has carried out initial type testing in accordance with System 3.
8. In case of the declaration of performance concerning a construction product for which a European Technical Assessment has been issued: **N/A**
9. Declared performance in accordance with the harmonised standard: PN-EN 13240:2008 (EN 13240:2001+A2:2004+AC:2006+A2:2004/AC:2006+A2:2004/AC:2007) „Space heating appliances burning solid fuels. Requirements and test methods.”

| Basic characteristics | Properties of performance | Harmonised technical specification |
|--|---------------------------|------------------------------------|
| Power rating kW | 10 | PN-EN 13240:2008 |
| Range of power rating kW | 7 – 13 | |
| The average power from the water kW | N/A | |
| Heat output for heating in kW | N/A | |
| Efficiency % | 75 | |
| Emission CO (13% O ₂) IN % | 0,19 | |
| Temperature of fumes in Celsius | 334 | |
| Max. working pressure in Bar | N/A | |

Parts of the fireplace does not contain asbestos. For the production hasn't been used cadmium and any heavy metals.

10. Properties of performance of the product defined in point 1 and 2 are coherent with properties of performance declared in point 9.
11. This Declaration Of Performance is given exclusively for the producer defined in point 4 which takes the full responsibility for that.

Place and Date:

Wsola 01.07.2013
